SUBJECT: EDGAR NYE

Dear Dick:

We recently received a copy of a letter which was sent by the New York State Police to various organizations. This related to the above named individual and indicated that he was wanted by the New York State Police for 32 counts of sodomy.

The letter indicated that he had a history of employment at schools or facilities for boys and, therefore, we thought that it was possible that he might have been connected or tried to connect himself to the Boy Scouts of America.

We would like to know if you have any information concerning this individual, since the state police headquarters from which this originated was in your council territory.

Please let us know if you can be of any help to us in getting additional information. Thanks for your help.

Sincerely,

Paul Ernst, Director
